Career Objective

As a recent Graduate In Information Technology, I am eager to launch my engineering career and contribute in an entry-level role. Committed to innovation, teamwork, and continuous learning to enhance organizational success.

Educational Summary

Jul 2019 – June 2023 B.E. (Information Technology), Datta Meghe College of Engineering , Airoli, India.
CGPA 7.89/10 (Sem 1 to 8) (First Class)

Jun 2018 – Apr 2019 HSC(12th Standard), BNN College Bhiwandi
53.85%

Jun 2016 – Apr 2017 Madhyamik Vidyalaya Temghar, Pipe Line Road, Bhiwandi(421 302)
64.40%

Professional Experience

Jan 2024 – Jun 2024   **Web developer intern** ⧉
Developed and implemented responsive and user-friendly front-end and UI/UX solutions for LBYH-CBSE, ensuring a seamless and engaging user experience.

Projects

Aug 2021 – Sep 2021   **Quiz-Game** ⧉
A dynamic quiz application that includes default questions on various topics and allows users to add their own custom questions. Built with HTML, CSS, and JavaScript, the app lets users test their knowledge, track scores, and restart the quiz as desired. This interactive app is ideal for quick quizzes and learning sessions on the go.

Jan 2022 – Mar 2022   **Smart Attendance system using Face-Recognition** ⧉
A smart system for taking attendance which uses OpenCV for image processing and recognizing different faces for detecting a person through a camera device for marking his attendance in csv files.

Aug 2022 – Mar 2023   **Digital voice for speech impaired (Mute) people.**
The system is for speech impaired people to communicate with normal people. This system converts hands gesture which used by mute people convert into voice format for normal people to understand speech impaired people.
